## MINISTRY OF FOOD AND AGRICULTURE

(Department of Food)

New Delhi, the 29th December 1958

No. F.3-10/57-S. Admn.—Rules governing the grant of two Research Fellowships of the value of Rs. 200/- p.m. each at the National Sugar Institute, Kanpur are published below for general information.

**RULES AND CONDITIONS GOVERNING THE GRANT OF RESEARCH FELLOWSHIP OF THE VALUE OF RS. 200/- P.M. EACH AT THE NATIONAL SUGAR INSTITUTE, KANPUR.**

**General.**—In order to develop and encourage researches on problems relating to the sugar industry, which is the second largest industry in India, the Government of India have decided to award to talented, deserving and qualified persons two research fellowships of the value of Rs. 200 p.m. each tenable for two years at the National Sugar Institute, Kanpur.

1. **Minimum qualification.**—Post-graduate Diploma in Sugar Chemistry and Technology of the National Sugar Institute.

2. **Duration.**—A candidate appointed as a Research Fellow shall carry on research work continuously for a period of two years from the date of appointment. This will normally commence with the start of the academic session which is usually the 15th July each year. During the first four months a Research Fellow will be on probation. Continuance of the fellowship would depend on the satisfactory completion of the period of probation, and compliance of rules and regulations governing the enrolment for the "Research Fellowship".

3. **Number of Research Fellow.**—Not more than two Research Fellows shall be appointed each year.

4. **Application.**—Candidates employed in Government service should submit their application through proper channels. Candidates selected for interview would be required to attend the interview at Kanpur at their own expense. They should bring with them certificates and diplomas, in original, for production at the time of interviews.

5. **Duties and work.**—(i) A candidate appointed as a Research Fellow shall devote himself to research and investigational work related to technological, chemical, Clericimil Engineering or Engineering aspects of the sugar industry or its by-products, as may be allotted by the Director. A Research Fellow shall work under the general guidance of a senior Research Officer at the Institute which will be decided by the Director. (ii) A Research Fellow shall submit a monthly report to the Director

showing the progress of work on the allotted problem, through the officer under whom he/she is placed. The monthly report should be submitted within seven days of the close of each month. (iii) A Research Fellow shall submit a final report of the work done by him/her on the problem or problems allotted to him/her at least one month before the termination of the tenure of the Fellowship.

6. A Research Fellow shall not publish any paper or writing in any journal or publication or read a paper before a Scientific or some other Association or meeting or in any other way divulge the results of researches relating to the problems carried out by him during the period of his Fellowship.

7. A Research Fellow shall sign bond requiring him/her to serve Government of India or the Institute if necessary, for a period of 3 years after he/she has satisfactorily completed his/her work as a Fellow.

8. A Research Fellow before drawing the scholarship of Rs. 200 p.m. shall furnish a written undertaking in the attached proforma (bond) to the effect that he/she will on no account break off in the middle but continue till the completion of the period prescribed for the Research Fellowship and to the effect that he/she on no account will violate clause 7 of the rules or in default refund the entire amount of scholarship received by him/her.

9. The monthly payment of the scholarship to a Research Fellow shall be subject to the recommendations of the head of the Section concerned about the regularity in attendance, discipline, progress and general behavior and conduct of the recipient as applicable to the employees of the Government working at the Institute.

10. A Research Fellow may, at the discretion of the Director, be allowed to submit a thesis on his research work for the award of Fellowship Diploma (N.S.I.) of the Institute provided the work is considered to be of sufficiently high standard, conforming to the requirements of the diploma.

11. A Research Fellow is not required to pay any tuition fee but shall pay the undernoted depot and annual fees according to the rules of the Institute in force:

- (i) Caution money deposit—Rs. 10.
- (ii) Scientific Society annual subscription—Rs. 10.
- (iii) Annual Games Fee—Rs. 25.
- (iv) Annual subscription for social functions—Rs. 8.
- (v) Common room fee (for hostel residents)—Rs. 10.

12. A Research Fellow is entitled to 30 days leave in a year and the year is to be reckoned from the date of commencement of the research work of the Fellow concerned. Leave in excess of 30 days may be granted in special circumstances such as serious illness etc. but this leave will be without remuneration or scholarship.

13. All patent designs and inventions derived from Research work so financed by the Government shall belong to the Institute. Government may, at its discretion, allow or direct any benefit thereof to be retained by or given to the inventor.

## RESOLUTION

## PORTS

New Delhi, the 22nd December 1958

No. 9-C-PG(120)/58.—The Government of India have received the Administration Report of the Port of Calcutta for the year 1957-58. The noteworthy features of the Report are the following:—

## (1) FINANCIAL RESULTS

The revenue receipts of the Port Commissioners for the year under review were Rs. 12,75,80,916 as against Rs. 10,86,61,288 in the previous year.

The expenditure for the year amounted to Rs. 11,19,52,424 as compared to Rs. 9,59,88,125 in the previous year. The year ended with a surplus of Rs. 1,56,28,492 thanks to increased income from goods, vessels and the Railway.

The balance in the Revenue Reserve Fund as on the 31st March 1958 amounted to Rs. 5.25 crores. The Fire Insurance Fund had a closing balance of Rs. 69.96 lakhs and the balance in the Vessels Replacement Fund Rs. 144 lakhs.

During the year under review the Port Commissioners took a loan of Rs. 1.5 crores from Government, for financing Capital Works covered by the Second Five Year Plan. A contribution of Rs. 1 crore was also made to the Capital Account from the Revenue surplus of the year under review.

## (2) TRAFFIC

The total tonnage of imports and exports which passed through the Port during the year was, imports 5,515,768 and exports 4,640,579, as against the corresponding import and export figures of 4,352,958 and 4,516,252, respectively, in the year 1956-57. There was thus an increase of 1,287,137 tons or about 14.51% in the total trade passing through the Port as compared with the previous year.

The tonnage of the imports and exports of some of the important commodities handled during the years 1956-57 and 1957-58 are given below:—

## (4) SHIPPING

The number of vessels that entered the Port during the year was 1593 as against 1383 in the previous year and the total gross tonnage increased from 8,562,955 to 10,103,581. The deepest draft ship to enter the Port was the S.S. 'Great Falls Victory' drawing 28'-10" forward and 24'-2" aft and the deepest draft ship to leave the Port was the S.S. 'Indian Resolve' drawing 27'-2" forward and 27'-1" aft.

In the Port Approaches, the Rangafalla Channel controlled the draft of ships for 336 days as against 23 during the previous year. The Eastern Gut controlled the draft of ships for 26 days as against 55 days during the previous year, Ninan for 2 days and Royapur for 1 day as against 113 days and 31 days respectively during the previous year. The controlling bars were thus below Diamond Harbour for 336 days as against 23 days during the previous year and this was due to the deterioration during the year of the Balari/Rangafalla channels.

The draft allotted to ships during the year suffered a slight set back owing to the deterioration of the Balari/Rangafalla channels.

## (5) RIVER MODEL EXPERIMENTS

Experiments for improving the river conditions in the King George's Dock lock entrance were completed during the year. Experiments for improving the Balari/Rangafalla channels, were continued. A view model of the river from Sevarupganj to Balari has also been set up with a view to study the effects of the varying quantities of upland discharge on the regime of the river.

## (6) HOOGHLY PILOTAGE

The income from Pilotage during the year was Rs. 37,22,734 and the expenditure Rs. 37,87,401 showing a small deficit of Rs. 64,667. To cover the deficit, a sum of Rs. 50,000 was appropriated from the Revenue Reserve Fund (Pilotage) to the Revenue Balance Account in which there was a balance of Rs. 37,809, brought forward from the previous year.

## (9) PORT DEVELOPMENT

During the year under review, the International Bank for Reconstruction and Development visited the Calcutta Port and the prospects of getting foreign aid for financing the schemes of the Port brightened. The Commissioners accordingly revised their Second Five Year Plan with a view to provide for much needed additional mechanical equipment and additional facilities and the total Plan cost rose from Rs. 19.83 crores to Rs. 31.13 crores.

## (10) ACKNOWLEDGEMENT

The Port Commissioners performed another year of useful work despite difficult conditions and Government view with appreciation the achievement of the Port Commissioners during the year under review.
